ABOUT

WINLEE

COMPANY PROFILE

Founded in 2015, **WINLEE** Electric Vehicle Co., Ltd. is a professional manufacturer and exporter specializing in electric scooters, electric motorcycles, and electric tricycles.

Backed by years of industry expertise, the company integrates product research and development, manufacturing, quality inspection, and international sales into a complete production system.

With a strong focus on innovation, durability, and market-oriented design, **WINLEE** is committed to providing reliable electric mobility solutions for global customers and continuously expanding its presence in overseas markets.

EXPERIENCED

Years of industry experience since 2015.

INTEGRATED

R&D, manufacturing, quality control and international sales.

RELIABLE

Strict quality control ensures stable and reliable products.

GLOBAL

Serving customers in 60+ countries and regions worldwide.
